

UPCOMING SDRC WEBINAR: March 29, 2023 from 3:00-4:00 pm ET

Linking SDRC-Available Medicare Data for More Robust Analyses

On **Wednesday, March 29, 2023 from 3:00-4:00 pm ET**, the State Data Resource Center (SDRC) will host a webinar on linking various data to SDRC-available Medicare data. In this webinar, SDRC will provide answers to recent data linking questions, examine the utilization of Chronic Conditions Data Warehouse (CCW) crosswalk files for linking data, provide sample codes in various languages that can be used to link data, and present a case study on how linked data can be used to investigate trends in diabetes treatment and monitoring among dually eligible populations. A brief Q & A session will follow the presentation.

For more information, please contact SDRC via the support line (888) 805-5228 or email SDRC@AcumenLLC.com.

Register in advance for this webinar:
