### Other Working with Medicare Webinars

The *Working with Medicare* webinar series provides key information about the Medicare program that states need to know to design, implement, and improve programs for dually eligible beneficiaries. Previous *Working with Medicare* webinars include:

- **Medicare 101 and 201:** This two-part webinar series provided an overview of Medicare benefits, how Medicare and Medicaid benefits overlap and interact for dually eligible individuals, and steps that states can take to improve care for vulnerable dually eligible populations. The recording and slide deck used for part one, **An Introduction to Medicare Benefits and the Roles of Medicare and Medicaid in Serving Dually Eligible Individuals**, can be found [here](#), and part two, **Actions States Can Take to Improve Quality and Coordination of Care for Dually Eligible Individuals**, can be found [here](#). (ICRC/ March 2021)
- **State Contracting with D-SNPs:** This two-part webinar series provided an overview of state strategies for contracting with D-SNPs to improve care coordination and Medicare-Medicaid alignment for dually eligible individuals. The recording and slide deck used for part one, **Introduction to D-SNPs and D-SNP Contracting Basics**, can be found [here](#), and part two, **Using D-SNPs to Integrate Care for Dually Eligible Individuals**, can be found [here](#). (ICRC/ December 2020)
- **[Coordination of Medicare and Medicaid Behavioral Health Benefits](#)** (ICRC/ April 2020). This webinar provides an overview of Medicare and Medicaid behavioral health benefits (including mental health and substance use disorder benefits) for dually eligible individuals and opportunities to improve coordination in integrated care programs.
