- ¹ A single Medicare Advantage contract may include more than one D-SNP, and may also include other SNP types and non-SNP Medicare Advantage plans.
- ² This table only records consolidations in which there is a change in organization name or a reduction in net enrollment from consolidation of plans within a contract. It does not include consolidations in which the same organization is continuing to operate in the state with the same name, but a different contract number.
- ³ Only service area reductions affecting 50 or more enrollees are included. Service area reduction enrollment data is from July 2017.
- ⁴ A new D-SNP contract for purposes of this table is a contract that includes one or more D-SNP plans in the March 2018 SNP Comprehensive Report, but that is not included in the December 2017 SNP Comprehensive Report for that state. A departing D-SNP contract is one that includes one or more D-SNP plans in December 2017, but that is not included in the March 2018 SNP Comprehensive Report. In some cases, as noted in footnotes below, a company with a departing D-SNP contract may be operating other non-departing contracts in the state that include D-SNP plans.
- ⁵ The net impact calculation subtracts the enrollment from departing D-SNPs and SARs from enrollment in new D-SNPs, divided by the total enrollment in each state in March 2018.
- ⁶ United will also continue to operate Contract Number H2802 in Alabama in 2018 (14,123 D-SNP enrollees in March 2018).
- ⁷ Centene, the parent company of Health Net of Arizona, will continue to operate D-SNP Contract Number H5590 in AZ in 2018. H5590 had 445 enrollees in March 2018.
- ⁸ University Care Advantage will continue to operate the same D-SNP Contract Number in 2018, but under a Consolidated Renewal Plan.
- ⁹ United will continue to operate the same D-SNP Contract Number in 2018, but under a Consolidated Renewal Plan.
- ¹⁰ Eon will continue to operate the same D-SNP Contract Number in 2018, but under a Consolidated Renewal Plan.
- ¹¹ Eligible beneficiaries from these three departing DSNPs were transitioned into MMPs by IL in 2018.
- ¹² Molina acquired several HAP Midwest Health Plans in 2015. Molina will continue to operate D-SNP Contract Number H5926 in Michigan in 2018 (10,930 enrollees in March 2018).

- ¹⁹ Cigna Contract Numbers H2165 and H4528 are being consolidated into H4513 in 2018, and some of the plans have a Service Area Reduction.
- ²⁰ The Health Plan will continue to operate the same D-SNP contract number in 2018, but under a Consolidated Renewal Plan. H3672 spans across Ohio and West Virginia.
- ²¹ 5 D-SNP contracts span across multiple states. The total enrollment for each states splits the enrollment evenly across the states. 14 D-SNP enrollees were in plans with under 11 enrollees.
